

## JOHN COPELAND NAGLE

### Work Address

Notre Dame Law School  
Notre Dame, IN 46556  
(574) 631-9407  
jnagle1@nd.edu

### Home Address

16810 Rockridge Court  
Granger, IN 46530  
(574) 514-0647

### PROFESSIONAL EXPERIENCE

- 1998-present **Notre Dame Law School**, Notre Dame, Indiana  
*John N. Matthews Chair of Law (2005-present); Associate Dean for Faculty Research (2004-2007); Professor (2001-2005); Associate Professor (1998-2001).* Teaching environmental law, biodiversity and the law, pollution law, climate change law, legislation, election law, legislation and regulation, constitutional law, and property. Served as vice chair of the Appointments and Promotions Committees.
- 2010 **Pepperdine University School of Law, Malibu, California**  
*Visiting Professor.* Taught climate change law.
- 2008 **University of Hong Kong**, Hong Kong  
Recipient of a Distinguished Lectureship award from the J. William Fulbright Foreign Scholarship Board to lecture regarding environmental law, election law, and religion and the law at the university and in other venues in Hong Kong, China, and southeast Asia.
- 2002 **Tsinghua University Law School**, Beijing, People's Republic of China  
Recipient of a Distinguished Lectureship award from the J. William Fulbright Foreign Scholarship Board to teach environmental law and property law during the spring semester.
- 1994-1998 **Seton Hall University School of Law**, Newark, New Jersey  
*Associate Professor.* Taught environmental law, legislation, torts, constitutional law, international environmental law, and hazardous wastes. Published writings in areas of statutory interpretation and environmental law.
- 1991-1994 **United States Department of Justice**, Washington, D.C.  
*Trial Attorney, Environment & Natural Resources Division, Environmental Defense Section.* Represented the federal government in environmental litigation in the federal

courts of appeals and district courts, including five appellate oral arguments. Cases raised a variety of issues of environmental law, administrative law, federal court jurisdiction, and civil procedure presented by challenges to regulations and actions of the Environmental Protection Agency and by allegations that other federal agencies were in violation of environmental laws.

- 1988-1991 **United States Department of Justice, Washington, D.C.**  
*Attorney-Advisor, Office of Legal Counsel.* Drafted formal and informal opinions on a wide range of constitutional and federal statutory questions submitted by executive branch departments. Reviewed proposed legislation for separation of powers and other constitutional problems. Assisted with litigation in the United States Supreme Court and in the federal courts of appeals. Provided advice regarding the restrictions of the federal conflict of interest laws.
- 1986-1987 **The Honorable Deanell Reece Tacha, United States Court of Appeals for the Tenth Circuit, Lawrence, Kansas**  
*Judicial Law Clerk.* Assisted in researching cases before the court and in drafting opinions. Worked on four cases subsequently reviewed by the United States Supreme Court raising issues of civil procedure, criminal law, administrative law and employment discrimination.
- 1985-1986 **Professor Mark Van Putten, University of Michigan, Ann Arbor, Michigan**  
*Research Assistant.* Aided the director of an environmental law clinic in research for *The Dilution of the Clean Water Act*, 19 U. MICH. J.L. REF. 863 (1986).
- 1985 **Business and Professional People for the Public Interest, Chicago, Illinois**  
*Intern.* Worked with attorneys in litigation before the state public utilities commission concerning the costs of a nuclear power plant.
- 1981-1984 **Argonne National Laboratory, Argonne, Illinois**  
*Scientific Assistant, Energy and Environmental Systems Division.* Wrote several published reports and environmental impact statements analyzing the environmental, social, demographic and economic effects of energy and industrial development. Served as a federal evaluator of exercises testing the capability of local government officials to respond to nuclear power plant emergencies. Collected and organized data detailing the constraints on oil and gas development in the Rocky Mountain region for use in a computer retrieval system.
- 1981 **Office of Senator Mark O. Hatfield, Washington, D.C.**  
*Intern.* Participated in drafting and advocating legislation to establish a national energy and environmental foresight capacity to set uniform national waterway user

charges. Responded to constituent mail and completed diverse writing and research projects.
